

Salmon Arm Minor Hockey Association
2011 – 2012 PLAYER REGISTRATION APPLICATION

Information and Conditions for Registration

Please read the following information entirely before filling out your registration application form. For more information on registration, residency boundaries, or visit www.salmonarmminorhockey.com

* **Note:** Players are only allowed to participate on one team per year, with the exception of the adherence to our Integrated Hockey Policy, which permits female players only to register for a female-only team and a male/female team, if so desired. In this case, the female player is required to pay the full registration fees for both teams.

- 1) A separate form is to be used for each player registering. A single payment may be used for multiple registration forms per family as long as each player's name is clearly indicated with the payment.
- 2) Registration is based on team configuration guidelines according to SAMHA policies, and the availability of projected ice slots and coaches. Some teams and divisions may not form this year if basic criteria cannot be achieved by August 31, 2011. Players registering after August 31, 2011 will be put on a waiting list and registered on a first come, first served basis.
- 3) Registration cut-off is November 30, 2011, and no players will be accepted for the current season after this date.
- 4) Registrations received by 4:00 pm (PST) on June 30, 2011 with payment in full dated no later than June 30, 2011(see Item 9) will be entered in a draw for a **FREE 2011 – 2012 Season's Registration!** One player from all qualifying Early Bird Registrations received will be selected before the season starts as the winner of the free registration.
- 5) Players indicating that they want to tryout for a Rep or Development team on the registration application form will be contacted with their tryout times. **Please note...these tryouts are for serious players wishing to be accepted on a rep team. Other players who simply want extra ice time for pre-season conditioning are not permitted to attend.**
- 6) Players selected for rep or development teams will pay an additional "Rep" fee once their team is finalized. Rep players will play at the tier deemed most appropriate by the team coaches and evaluators.
- 7) Players registered in Atom Development and higher Divisions will be required to purchase a practice jersey for their use during practices. The coaching staff will decide the type and color at the beginning of the season, and the cost will generally be under \$30.
- 8) **Full registration fee payment is due with registration.** If necessary, payment may be made by a minimum deposit of \$100 (Cheques dated no later than June 30, 2011) per player included with their application form, plus a maximum of three post-dated cheques for the balance, with the last payment dated no later than November 30, 2011.
- 9) For those seeking financial assistance, please view the helpful information contained in the Kid Sport web site at www.kidsport.ca, and contact Kim Sinclair at 832-0108 for confidential assistance.
- 10) No player will be allowed on the ice until his or her registration has been received and accepted by SAMHA, and at least a deposit and post-dated cheques have been received.
- 11) If the player's final registration payment is not received by November 30, 2011, or if any payment is returned as NSF, that player will be immediately suspended from any further SAMHA sanctioned participation until payment is made. There will be a \$30.00 admin. charge for all NSF payments. Any monies owing from the last season must be paid in full before this season's registration is accepted.
- 12) Pro-rated refunds are available only up to December 31, 2011, less a \$40.00 administration fee plus any Rep carding and BCAHA/HC fees paid.
- 13) No refunds shall be given to suspended players.
- 14) There will be a \$30.00 charge for NSF payments.
- 15) All registration fees include a team picture, typically be taken in the fall, and will be delivered as soon as possible.
- 16) **It will be required that all parents/players participate in major fundraising projects of SAMHA.**

All registrants wishing to try-out for the Regional Midget Team based in Kamloops must register with SAMHA first before trying out.
