

Salmon Arm Minor Hockey Association 2006 – 2007 PLAYER REGISTRATION APPLICATION

Information and Conditions for Registration

Please read the following information entirely before filling out your registration application form. For more information on registration, residency boundaries, or SAMHA see www.salmonarmminorhockey.com.

* **Note:** Players are only allowed to participate on one team per year, with the exception of the adherence to our Integrated Hockey Policy, which permits female players only to register for a female-only team and a male/female team, if so desired. In this case, the female player is required to pay the full registration fees for both teams.

- A separate form is to be used for each player registering. A single payment may be used for multiple registration forms per family as long as each player's name is clearly indicated with the payment.
- **Critical registration date for determining if, and how many, "B" Rep teams SAMHA will have for the season is June 30, 2006. You are strongly encouraged to have your Pee Wee, Bantam or Midget player registration in by this date.**
- Registration is based on team configuration guidelines according to SAMHA policies, and the availability of projected ice slots and coaches. Some teams and divisions may not form this year if basic criteria cannot be achieved by August 31, 2006. Players registering after August 31, 2006 will be put on a waiting list and registered on a first come, first served basis.
- Registration cut-off is November 30, 2006, and no players will be accepted for the current season after this date.
- Registrations with payments that are received by June 30, 2006 are entered in a draw for a FREE 2006 – 2007 Season's Registration! One player from all qualifying Early Bird Registrations received will be selected before the season starts as the winner of the free registration.
- Players indicating that they want to tryout for a Rep or Development team on the registration application form will be contacted with their tryout times.
- Players selected for rep or development teams will pay an additional "Rep" fee once their team is finalized.
- Players registered in Atom Development and higher Divisions will be required to purchase a practice jersey for their use during practices. The type and colour will be decided by the coaching staff at the beginning of the season, and the cost will generally be under \$30.
- Players registered in Atom and Lower Divisions will be required to provide a \$50 deposit cheque dated for March 31, 2007 for use of an official SAMHA team jersey. At the end of the season, all SAMHA jerseys are to be returned in good shape to SAMHA, at which time the deposit cheque will be returned.
- **Full registration fee payment is due with registration.** If necessary, payment may be made by a minimum deposit of \$100 per player included with their application form, plus a maximum of three post-dated cheques for the balance, with the last payment dated no later than November 30, 2006.
- For those seeking financial assistance, please view the helpful information contained in the KidSport web site at www.kidsport.ca. Please also contact SAMHA Registration for confidential assistance.
- No player will be allowed on the ice until his or her registration has been received and accepted by SAMHA, and at least a deposit and post-dated cheques have been received.
- If the player's final registration payment is not received by November 30, 2006, or if any payment is returned as NSF, that player will be immediately suspended from any further SAMHA sanctioned participation until payment is made. Any monies owing from the last season must be paid in full before this season's registration is accepted.
- Pro-rated refunds are available only up to December 31, 2006, less a \$40.00 administration fee plus any Rep carding and BCAHA/HC fees paid.
- No refunds shall be given to suspended players.
- There will be a \$30.00 charge for NSF payments.
- All registration fees include a team picture, typically be taken in the fall, and returned by early December.
- **All registrants wishing to try-out for the Regional Midget Team based in Kamloops must register with SAMHA first before trying out.**

Player registration forms and payments (made out to: **SAMHA**) must be mailed to:

SAMHA PO Box 2323 Salmon Arm, BC V1E 4R3
