Members of SAMHA,

SAMHA is aware of an incident that occurred during today's U18 Recreational hockey game. We take this matter very seriously, and a full investigation is currently underway.

SAMHA does not tolerate the actions that took place, and we are working closely with OMAHA, the adjacent association involved, and all other relevant parties to ensure a thorough review of the incident is conducted and to protect those who were not involved in today's incident.

The safety, respect, and well-being of our players, officials, volunteers, and families remain our top priority. Further information will be shared as appropriate once the investigation is complete. At this time, we will have no further comment on the matter.

We encourage those with any personal footage or live accounts witnessed in person, to contact their association.

Thank you for your patience and cooperation.

John White
President
Salmon Arm Minor Hockey Association
